FOREWORD

One of the Natural Wonders of the World, the Natural Bridge, has been a traditional part of our high school. Its profile is found on our class rings and our yearbook is named for its historic span. Interpreted in terms of school ideas, its rugged strength and durability means loyalty, high standards of conduct and service to the yearbook staff. As we reminisce, may this twenty-third volume of the SPAN serve as a lasting reminder of the noble qualities our school represents and as a source of enjoyment throughout the years.

IN APPRECIATION . . .

LEFT TO RIGHT: Mr. Lotts; Mr. Hannah; Mr. Armentrout; Mr. Mayo; Mr. Silvey; Mr. White; Mr. White; Mr. Fox, Mr. Garrett, Mr. Cash.

The students and faculty of Natural Bridge High School wish to express their appreciation to a loyal, cooperative and interested group of men who are directly responsible for the task of transporting public school students.
